Analog input terminal 4-channel, XTR 750-457/040-000 supply voltage at DC 24... 24V, voltage type of the supply voltage DC, input, voltage, resolution of the analog inputs 12 bit, number of analog inputs 4, number of analog outputs 0, number of HW interfaces Industrial Ethernet 0, number of interfaces PROFINET 0, number of HW interfaces serial RS-232 0, number of HW interfaces serial RS-422 0, number of HW interfaces serial RS-485 0, number of HW interfaces serial TTY 0, number of HW interfaces parallel 0, number of HW interfaces wireless 0, number of HW interfaces USB 0, number of HW interfaces other 0, system component, degree of protection (IP) IP20, design of the electrical connection spring-loaded connection, Mounting rail mounting possible, Explosion protection category for gas without, Explosion protection category for dust without, width 12mm, height 64mm, depth 100mm. The analog input terminal processes signals of standardized sizes ± 10 V. The input signal is transmitted galvanically isolated to the system level with a resolution of 12 bits. The internal system voltage is used for the power supply. The input channels of the module have a common ground potential. The device is suitable for use under difficult environmental conditions: Greatly extended temperature range. Higher dielectric strength and EMC resistance. Greater vibration resistance.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
