Combined arrester 1-T23N12.5-275sPQS OVRT2CTB815710R1900 Network type TN-S, network type TT, number of poles 4, lightning impulse current (10/350 μ s) 12.5kA, maximum continuous voltage AC 275V, nominal voltage AC 230V, protection level 0.8kV, protection level LN 1.3kV, protection level L-PE 1.4kV, protection level N-PE 1.3kV, max. conductor cross-section solid (single/stranded) 35mm², max on the device without, test class type 1 and 2, degree of protection (IP) IP20, combined lightning and overvoltage protection device SPD type 1+2, to protect low-voltage consumer systems against lightning currents and overvoltages. Tested SPD type 1 and type 2 according to DIN EN 61643-11. The devices can be used as overvoltage protection devices according to VDE 0100 Part 443 and Part 534, as well as within the framework of the lightning protection zone concept. The devices are compatible with the System pro M compact series. The SPDs with "TS" are optionally equipped with a potential-free changeover contact. The variants with "reserve varistor" (s) offer additional protection for the system in that the surge arrester is not completely disconnected from the mains at the end of its service life, but continues to guarantee basic protection with an additional, smaller varistor, and the system is therefore protected until the surge arrester is replaced is still protected.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
