LED test module 12-240VAC/DC 3SU1400-2CK10-1AA0 With integrated diode, socket without, rated operational voltage Ue at AC 50 Hz 24 ... 240V, rated operational voltage Ue at AC 60 Hz 6 ... 240V, rated operational voltage Ue at DC 24 ... 240V, type of voltage for actuation AC/DC, lamp other, connection type auxiliary circuit screw connection, color of lamp other, LED test module operating voltage AC/DC 6-240V, screw connection, for floor mounting, for LED modules (6-24V AC/DC, 24V AC/DC, 24-240V AC/DC) SIRIUS ACT LED test module for testing the functionality of up to 30 SIRIUS ACT LED modules. Under the SIRIUS ACT brand name, Siemens offers a unique portfolio of command and signaling devices with worldwide Product approvals in four modern design series made of robust real metal and high-quality plastic. The innovative snap-on concept simplifies assembly to such an extent that only one hand and no special tools are required. Groove-free holes are sufficient as mounting holes, as 100% anti-twist protection is already integrated. Thanks to the consistently high degree of protection, the robust devices are suitable for industrial use and for outdoor use. Even cleaning with a high-pressure jet is possible. Neither dust, oil nor aggressive alkalis can disrupt reliable operation. In addition to the standard wiring, the devices can also be connected to the controller via PROFINET, AS-Interface or IO-Link. This reduces your wiring effort, minimizes sources of error and gains more flexibility. The graphic online configurator provides convenient support when selecting and ordering individual devices, housings and labels. Extensive documentation (e.g. manual, 3D data, connection diagram) is available. Available versions: for floor mounting and for front panel mounting. SIRIUS ACT - performance in action for commands and signals. Simply assembled, simply strong, simply perfect.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
