Motor control unit MSE compact 6 AP 2016488 Rated operational current  $I_e$  0.016 ... 0.016A, rated operational voltage  $U_e$  at AC 50 Hz 207 ... 253V, rated operational frequency 50 ... 50Hz, type of connection technology screw connection, rated control supply voltage  $U_s$  at DC 36 ... 36V, type of voltage for DC actuation, number of outputs, contact-based 12, number of binary inputs 14, monostable switching function, design of electrical connection for auxiliary and control circuit screw connection, degree of protection (IP) IP30, motor control unit (MSE) for controlling up to six 230 V AC sun shading drives . Up to six 230 V sun shading drives are controlled directly via a sun shading control center and a button on site. In addition, you can combine several motor control units into a group and operate them together from one button. The logic behavior of the button can be switched between time and permanent logic. The timing logic causes the MSE to latch after the button has been pressed for approx. 2 seconds. Pressing the button for a short time generates a turning impulse (for slat products). A permanent logic causes the MSE to latch as soon as the button is pressed (for fabric products/roller shutters). The 24V DC control voltage is generated by an integrated power pack, which is required to control the MSE via the button or the sun protection control unit.

**YOUR ADVANTAGES**

**WORLDWIDE TRADE**  
Corporate video eibmarkt®

**99% CUSTOMER SATISFACTION**  
> 500,000 customers worldwide

**DHL TRACK & TRACE**  
Shipment tracking

**COMPLAINTS HANDLING**  
Obliging and 100% safely

**25 YEARS OF EXPERIENCE**  
In worldwide mail order

**ORDER LIVE CHAT**  
With order history

**SHORT DELIVERY TIME**  
Warehousing

**REFUND**  
Within 14 days

**DATA PROTECTION**  
Guarantee

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
