Overload relay 160A 15.0-45.0 EF45-45 Adjustable current range 15 ... 45A, mounting type direct attachment, connection type main circuit screw connection, number of auxiliary contacts as NC contact 1, number of auxiliary contacts as NO contact 1, number of auxiliary contacts as changeover contact 0, rated control supply voltage Us at AC 50 Hz 0V, rated control supply voltage Us at AC 60 Hz 0V, rated control supply voltage Us at DC 0V, tripping class adjustable, type of voltage for actuation self-supplied, reset function automatic, reset function button, EF45 are self-supplied electronic overload relays that do not require an additional external power supply. They reliably protect motors in the event of an overload or a phase failure. Like thermal overload relays, they are easy to use and compatible with standard motor applications. They impress thanks to their wide setting range, their high level of accuracy, the high operating temperature range and the option to choose from 3 tripping classes (10E, 20E, 30E). The overload relays are connected directly to the contactors. Individual installation sets are available as accessories. Selectable manual or automatic reset, phase failure sensitivity according to IEC/EN 60947-4-1, temperature compensation, TEST and STOP function, tripped display on the front, integrated trip and signal contact (1 NO/1 NC).

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
