3-5 days* (GBR)

Glass Presence Detector 360° with 3 sensors, White, with temperature sensor. For ceiling installation in a installation box. New application. White Glass front, integrated temp. sensor. 3 pyro detectors with lens for presence detection. Adjustable presence and presence sensitivity for day, night and alarm. Coverage 11m Ø, presence 5m Ø. 3 light channels, sensors can be individually evaluated. 1 HVAC and 1 alarm / notification channel. Short time presence to reduce the after-running time. Input for an external push button with reset time. Intelligent switching function for automatic / manual operation. Locking and forced function with release time. Extensive day / night function with 2nd switching object. Orientation light (brightness and time adjustable). Avoiding of false reports for the alarm channel by reducing the sensitivity and adjustable observation window.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
