 **14-16 days\*** (GBR)

DALI wall panel 4-channel DT8, DALI2 DAL8WPRGBW Dynamic design, type of control DALI, number of color channels 4, programmable, housing plastic housing, built-in, output voltage 0V, input voltage 100... 240V, max. output current 0A, protection class (IP) IP20, protection class II, length 86mm, width 86mm, height 42mm, diameter 0mm, up to four channels can be controlled with the DALI wall panel. Since it is an RGBW wall panel, four DALI addresses are required per channel (thanks to DT8 only one address per channel, both for RGB and RGBW). The different colors can be set using the touch wheel, but the colors red, green, blue and white can also be switched on and off individually. In addition to the ten saved color change programs, it is possible to save up to four light scenes per channel. Of course, dimming with the panel is also possible. Since the wall panel acts as a BUS transmitter, the use of the DALI base station is optional, but not absolutely necessary. When operating as a BUS transmitter (without DALI base station), the connection is made to 230V, whereby a maximum of 50 participants can be controlled via a wall panel. In addition, 3 additional wall panels can be integrated into the system, which are operated via the BUS voltage of the first wall panel (BUS encoder). When operating with the DALI base station, a maximum of 4 wall panels can be used per base station. In this case, the wall panels must not be operated via 230V, but exclusively via the BUS voltage of the DALI base station. In addition, it is possible to operate two wall panels over 230V in one system, with only one of the wall panels acting as a BUS transmitter. This allows up to 100 participants (50 per panel) to be controlled. Two additional wall panels can be integrated into this system via the BUS voltage, with the controllable number of participants remaining unchanged. It can be mounted on switch boxes without any problems.

### YOUR ADVANTAGES

**WORLDWIDE TRADE**  
*Corporate video eibmarkt®*

**99% CUSTOMER SATISFACTION**  
*> 500,000 customers worldwide*

**DHL TRACK & TRACE**  
*Shipment tracking*

**COMPLAINTS HANDLING**  
*Obliging and 100% safely*

**25 YEARS OF EXPERIENCE**  
*In worldwide mail order*

**ORDER LIVE CHAT**  
*With order history*

**SHORT DELIVERY TIME**  
*Warehousing*

**REFUND**  
*Within 14 days*
