Conference system 360 degree microphone JabraSPEAK 510+ UC The mobile conference system is ideal for conferences of individuals or small groups. The integrated call control buttons enable the user to accept and end calls as well as adjust volume and mute directly on the device. The Jabra SPEAK 510 is also equipped with a rechargeable battery that allows the user to talk for up to 15 hours without having to charge the device. The headset not only connects to your PC/softphone via a USB cable, but is also equipped with Bluetooth (up to 100 meters) and can also be connected to tablets and mobile phones. The plug&play capable LINK 360 dongle also enables you to set up a Bluetooth connection with your PC, with a range of up to 100 metres.

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
