Screwdriver set VDE 11 7850 Cardboard packaging Number of Phillips screwdrivers PH 0 Number of Phillips screwdrivers PZ 2 Number of slotted screwdrivers 3 Number of six-round screwdrivers 0 Total number of tools 5 Isolated Protective insulation 1000 V The Diamant Drei-Ve screwdriver series, known for its ergonomically adapted three-component handle, which is responsible for fatigue-free work, has now been expanded to include the SLIM blade version. The disruptive insulation was reduced to the diameter of the blade size in the lower area, thereby creating the maximum accessibility to the fastening elements that users often criticize. This was achieved taking into account the applicable IEC VDE standards and GS guidelines, as well as the torque requirements specified in the DIN standard.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
