Interface module KMAi-E08 24ACDC 20mA follow-up function, number of channels 0, time range 0min, number of universal dimming channels 1, number of dimming functions 1, current surge function, number of channels 0, roller shutter/sun protection control, number of channels 0, number of channels 1, Control voltage 1 24 ... 24V, rated current 0.02A, rated voltage 24 ... 24V, rated frequency 0Hz, width in division units 2, width 35mm, The analog value transmitter is used for manual control value adjustment, e.g. B. for mixing flaps, valve positions, temperature values, etc. The module can be controlled using two operating modes, which are set using the two-stage switch (HAND, AUTO) on the front. The switch position is reported via the external control contact terminals B1 and B2. Switch position HAND: The manipulated variable can be adjusted using the potentiometer on the front. The output signal 0 to 20mA is available at terminal Y. The current flow at the YR input is not interrupted. Switch position AUTO: The input current (YR) is transferred to the manipulated variable output Y with a tolerance of $\pm 5\%$ (full scale value). Setpoint generator, manual control level with feedback, LED brightness proportional to the manipulated variable

YOUR ADVANTAGES

WORLDWIDE TRADE
Corporate video eibmarkt®

99% CUSTOMER SATISFACTION
> 500,000 customers worldwide

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
