Finned tube heater automatic 500W 230V eds RiRo a 500E power 500W, fin diameter 110mm, voltage 230V, automatic temperature controller, protection class (IP) IP66/IP67, height 170mm, width 130mm, length 440mm, stainless steel finned tube heater automatic, 500 W, 230 V, with built-in temperature controller. The built-in thermostat keeps the set room temperature constant. The setting can be frost-free or steplessly adjustable between +5 and +30°C. The heat emission can thus be controlled in a targeted manner. The built-in signal light shows when the device is switched on. Dust and waterproof protection class IP66 / IP67. Impact-resistant connection housing made of glass-fibre reinforced polyamide, incl. quick-mounting feet for wall or floor mounting and M20 cable gland.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
