Cable tie nylon 4.8x186 mm light blue PLT2S-C86, Tape width=4.8 mm, Tape length=186 mm, Tape thickness=1.4 mm, Max bundle diameter=47 mm, Min holding force=222 N, Operating temperature=-60 ..85 °C, assembly temperature=-20..85 °C, design=internal teeth, strap fastener=plastic tongue/nose, material=plastic with metal pigments, material quality=polyamide (PA), surface=untreated, UV-stable according to ASTM D6779 =no, halogen-free=yes, color=other, transparent=no, reflective (luminous color)=no, labeling area=none, detachable closure=no, type of fastening=none, VG approval=no, MIL approval=no, UL approval =no, UL 94 flammability rating=other, Pan-Ty Metal Detectable Cable Ties and Sockets are designed to help the food, beverage, chemical and pharmaceutical industries meet manufacturing safety standards. The metal-impregnated material enables identification by metal detectors and X-ray machines. Our products take a big step towards compliance with the EU HACCP* directive and the US Food and Drug Administration (FDA) standards. Pan-Ty Metal Detectable Cable Ties, Tie Bases and Installation Tools offer a total solution to reduce product contamination or loss. The one-piece design allows for the lowest insertion pressure for easy and reliable installations to improve productivity and reduce fatigue. The propylene version is suitable for use in processing and packaging areas where aggressive acids and alkaline chemicals are used for cleaning. The nylon version is the solution for general maintenance and repairs around food. The cable ties are available in different sizes and packaging sizes.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
