Impulse switch 2S potential-free 16A/250V ES12Z-200-UC Electronic function switch, mounting type DIN rail, width in modular units 1, installation depth 58mm, number of contacts as NO contact 2, number of contacts as NC contact 0, number of contacts as changeover contact 0, control voltage 1 8 ... 230V, type of control voltage 1 AC/DC, frequency of control voltage 1 50 ... 50Hz, control voltage 2 8 ... 230V, frequency of control voltage 2 50 ... 50Hz, rated switching current 16A, supply voltage 250 .. 250V, type of supply voltage AC, max. incandescent lamp load 2000W, max. fluorescent lamp load 1000VA, max. Manual operation possible, impulse switch with potential-free contacts, also for central control. Standby loss only 0.03 to 0.4 watts. Priorities of the central control selectable. The latest hybrid technology combines the advantages of wear-free electronic control with the high performance of special relays. With additional central on and central off control inputs for 8..230V UC, electrically isolated from the local control input. Supply voltage same as local control voltage. Very low switching noise. Glow lamp current from 110V control voltage up to 50mA in switch positions 1 to 3 and 5 to 7. By using a bistable relay there is no coil power loss even when switched on and no heating as a result. After installation, wait for the brief automatic synchronization before the switched consumer is connected to the mains. Maximum current as a sum over both contacts 16A at 230V. With activation LED. This flashes after 15 seconds when the local button is blocked, not in rotary switch positions 4 and 8. This impulse switch can be completely or partially excluded from the central control with the upper rotary switch.

**YOUR ADVANTAGES**

**WORLDWIDE TRADE**  
Corporate video eibmarkt®

**99% CUSTOMER SATISFACTION**  
> 500,000 customers worldwide

**DHL TRACK & TRACE**  
Shipment tracking

**COMPLAINTS HANDLING**  
Obliging and 100% safely

**25 YEARS OF EXPERIENCE**  
In worldwide mail order

**ORDER LIVE CHAT**  
With order history

**SHORT DELIVERY TIME**  
Warehousing

**REFUND**  
Within 14 days

**DATA PROTECTION**  
Guarantee

\* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

\*\* Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

\*\*\* Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
