Universal dowel UX 6 Version expansion dowel, drill hole diameter 6mm, suitable for screw diameter 4 ... 4mm, drill hole depth 45mm, length 35mm, material plastic, material quality polyamide (PA), suitable for aerated concrete, suitable for hexagonal wood screw, the fischer universal dowel UX is a plastic dowel made of high quality nylon. The fischer universal plug expands in solid building materials and knots in hollow and panel building materials for maximum hold. This means that the fischer UX is always the right choice, even with an unfamiliar building material. In the version without an edge, the fischer universal dowel UX is suitable for push-through installation.

* Note on delivery time: Day = Monday to Friday, no public holiday in Bavaria or Saxony. Goods are also delivered on Saturdays (DHL).

** Payment methods may vary from country to country. All prices plus shipping and excluding customs duties or other additional costs (import sales tax) for deliveries outside the EU.

*** Savings compared to RRP = the manufacturer's recommended retail price. RRP is the price recommended to retailers by the manufacturer, importer or wholesaler as a resale price to the customer. The RRP is also referred to as the list price and is defined as the highest possible price that a buyer would pay for a specific product before any discounts (Source of gross list prices: Germany).
